

# How to Draw Jelly Bean!

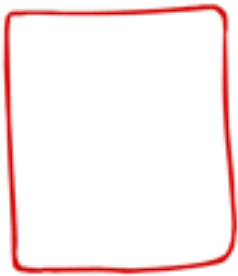

If you can draw these items:

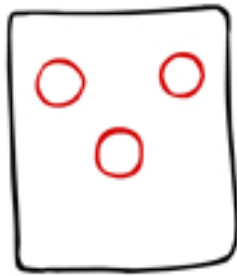

Then you can draw Jelly Bean!

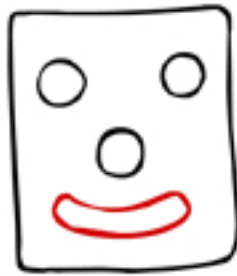

1 Draw a square with rounded edges for Jelly Bean's body.

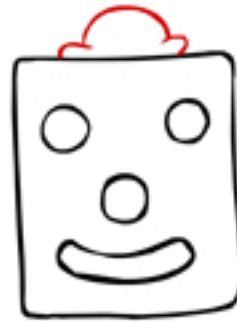

2 Three circles make up her eyes and nose.

3 Draw Jelly Bean's smile.

4 With 3 curved lines, draw the ice cream on her head.

5 Add a cute little cherry on top.

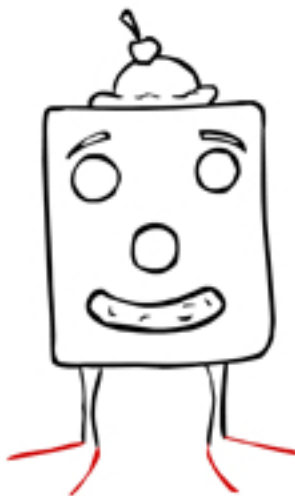

6 Add in the extras for Jelly Bean's head.

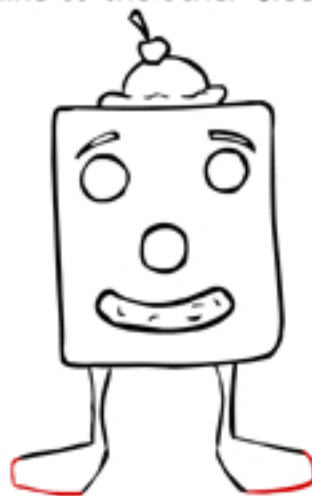

7 Draw the legs with some straight and some curved lines.

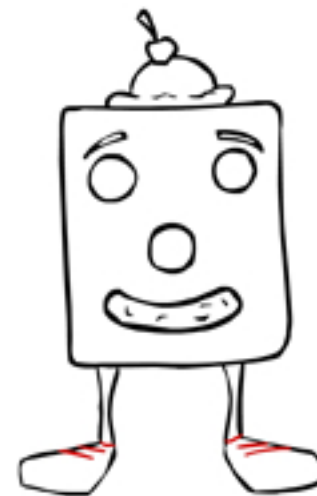

8 Use straight lines to start her feet.

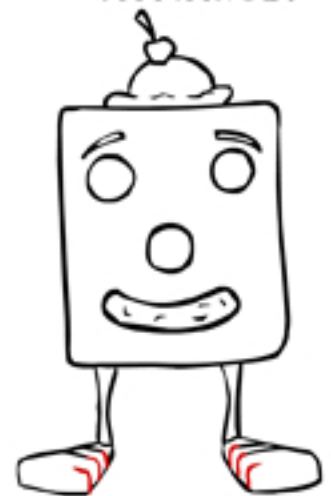

9 Make a straight line down from the top of her foot, then connect that line to the other side.

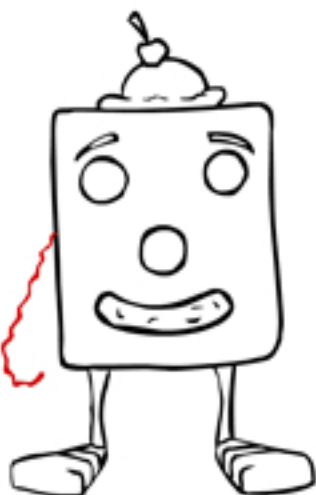

10 Draw three straight lines from the side of her foot over the top.

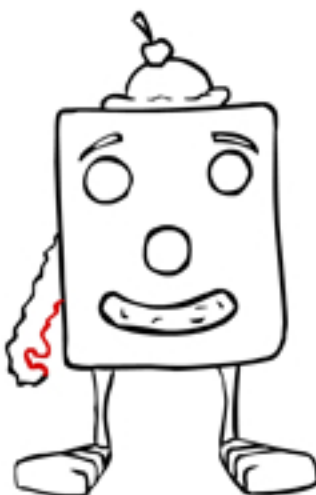

11 Now add lines with little curves at the top. This make her foot look 3D.

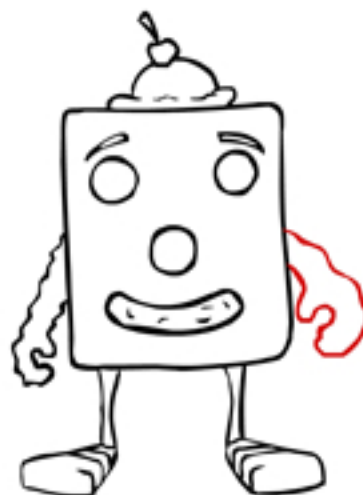

12 Using a very bumpy line, draw Jelly Bean's jelly bean arm.

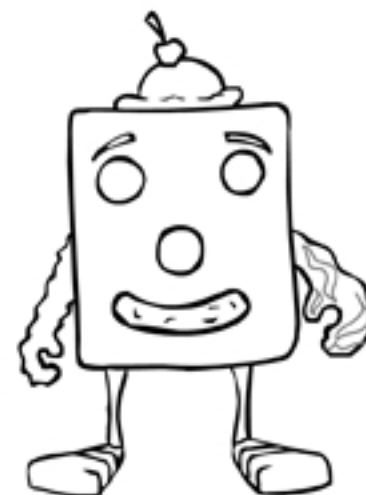

13 Finish her hand with more bumpy lines.

14 Draw her cotton candy arm with a softer curvy line.

15 Add in the extras to the cotton candy.

16 Color Jelly Bean!
